

PRABIN ACHARYA

IT Support Technician | Microsoft 365 & Cloud Support | AV Technician

437-269-9844 | prabimacharya55@gmail.com | [Linkedin](#) | pacharya59.github.io/prabinacharya/ | Toronto, ON

PROFESSIONAL SUMMARY

Client-focused IT Support Technician with 2+ years of experience providing Tier 1 and Tier 2 help desk support in fast-paced educational and corporate environments. Proven expertise in Microsoft 365 administration, Active Directory (AD/Azure AD), endpoint management, and AV systems. Maintained 99% infrastructure uptime across 4 campuses while resolving 250+ monthly tickets with a 90% first-call resolution rate. Adept at ITIL-based ticketing workflows (ServiceNow, Salesforce), VPN troubleshooting (Palo Alto), and cloud platforms (Azure, AWS). Holds CompTIA A+ certification; pursuing CCNA and AZ-104.

WORK EXPERIENCE

Seneca Polytechnic

North York, ON

IT Support Technician

Apr 2024 – Dec 2024

- Delivered Tier 1 and Tier 2 hardware and software support to 30+ faculty members weekly, maintaining full SLA compliance and achieving rapid incident resolution across a high-volume environment.
- Administered and managed AV systems (Crestron, projectors, digital displays) across 4 campuses, achieving **100% uptime** for uninterrupted classroom operations.
- Reimaged, configured, and deployed 50+ Windows 10/11 classroom PCs; migrated workstations and documented all installations using standardized SOPs to minimize downtime.
- Provided critical on-site IT support across 4 Seneca campuses, resolving urgent endpoint and hardware issues under tight deadlines while maintaining SLA compliance.
- Troubleshooted and resolved VPN (Palo Alto), LAN/WAN, DHCP, and DNS issues, maintaining **99% network infrastructure uptime** across all campuses.
- Utilized ServiceNow ITSM platform for incident tracking, escalation workflows, and documentation in alignment with ITIL best practices.

Seneca Polytechnic

North York, ON

IT Service Desk Representative — Technical Support Co-op

Dec 2023 – Apr 2024

- Managed and provisioned user accounts in Active Directory (ADDS) and Azure AD (Microsoft Entra ID), including password resets, MFA enrollment, and group policy assignments for students and faculty.
- Resolved 250+ equipment and software requests monthly with a **90% first-call resolution (FCR) rate**, improving overall user satisfaction.
- Handled 100+ weekly incident and service requests via Salesforce CRM and Five9 VoIP, adhering to ITIL workflows for escalation, SLA tracking, and documentation.
- Escalated complex unresolved issues (~10%) to Tier 2/3 support with detailed diagnostic notes, enabling faster resolution and reducing repeat contacts.
- Onboarded and offboarded student and faculty devices through WebCheckout; maintained accurate hardware inventory and asset lifecycle records.

World Link Communications

Kathmandu, Nepal

Technical Support Representative

Jan 2021 – Dec 2021

- Provided first-line ISP help desk support, resolving 90% of router configuration and connectivity issues on first contact for a customer base of 200+ monthly users.
- Guided non-technical customers through advanced router configurations, DHCP settings, and network troubleshooting, reducing repeat service calls by 15%.
- Diagnosed and resolved network performance degradation issues, improving internet reliability and speed for residential and SMB clients.
- Achieved 95% customer satisfaction (CSAT) score through clear communication and effective technical guidance to non-technical users.

EDUCATION

Diploma — Computer Systems Technician

2022 – 2024

Seneca Polytechnic, North York, ON

CGPA: 3.9/4.0 | *President's Honours List (4.0 GPA)*

CERTIFICATIONS

CompTIA A+ | Google IT Support Professional Certificate | AZ-104 (Azure Administrator) — In Progress | CCNA — In Progress
