PROFESSIONAL SUMMARY

CompTIA A+ certified IT systems and support professional with enterprise experience at Goway Travel and Seneca Polytechnic supporting users, endpoints, identities, and collaboration platforms. Experienced with Microsoft 365, Microsoft Intune, Microsoft Entra ID, ServiceNow, endpoint compliance, onboarding and offboarding, and Tier 1/2 troubleshooting. Seneca Polytechnic Computer Systems Technician graduate with a 3.9 GPA and four consecutive terms on the President's Honours List.

PROFESSIONAL EXPERIENCE

IT Support and System Specialist | Goway Travel

Jun 2025 - Aug 2026 (1 yr 3 mos) | Toronto, ON

- Provided remote and onsite enterprise support across Windows 10/11 and macOS, resolving hardware, software, network, and peripheral issues.
- Managed ServiceNow incidents within SLAs, documented resolutions, followed up with users, and escalated unresolved cases to L2/L3 with root-cause notes.
- Supported Microsoft 365, Microsoft Entra ID, Microsoft Intune enrollment, application deployment, endpoint compliance, Teams, and SharePoint.
- Coordinated onboarding and offboarding, account and access setup, asset assignment and retrieval, equipment repair, and secure deprovisioning.
- Monitored IT asset compliance and supported audits through KACE and Intune; maintained knowledge-base articles for common issues.

Site Supervisor - Additional Leadership Experience | Wincon Security

Dec 2024 - Jun 2025 (7 mos) | Toronto, ON

- Led onboarding and training for 15+ team members and coordinated daily site operations, patrols, investigations, and contractor escorts.
- Filed 30+ detailed incident reports monthly and managed 100+ weekly packages while maintaining shift records and schedules.

IT Technical Support & Hyflex Ambassador | Seneca Polytechnic

Apr 2024 - Dec 2024 (9 mos) | North York, ON

- Delivered Tier 1 and Tier 2 hardware, software, and classroom support to 30+ faculty members weekly across four campuses.
- Supported Crestron systems, projectors, digital displays, and hybrid classrooms while maintaining reliable classroom operations.
- Reimaged and deployed 200+ Windows 10/11 workstations through PXE boot; configured AppsAnywhere and Cloudpaging Player.
- Managed Intune enrollment and compliance, Microsoft 365 onboarding/offboarding, Entra ID access, SSPR, GlobalProtect VPN, and ServiceNow records while maintaining 99% network uptime.

IT Service Desk Representative | Technical Support | Seneca Polytechnic

Dec 2023 - Apr 2024 (5 mos) | North York, ON

- Managed Active Directory and Entra ID accounts, password and MFA resets, and group access for students and faculty.
- Resolved 250+ equipment and software requests monthly and handled 100+ weekly incidents through Salesforce CRM and Five9.
- Escalated complex issues with detailed diagnostics and maintained device inventory through WebCheckout.

Technical Support Representative | WorldLink Communications

Jan 2021 - Dec 2021 | Kathmandu, Nepal

- Provided first-line ISP support for 200+ monthly users, resolving router, DHCP, connectivity, and performance issues.
- Guided non-technical customers through clear troubleshooting steps and documented repeatable solutions.
